KNITTING TENSION

8 sts stocking st with double strand and needle size

12 mm = 10 cm

Check your knitting tension by working a swatch.

Count the number of sts per 10cm; if you have more sts than suggested change to a larger needle size. If you have less sts, change to a smaller needle size.

FIND THE RIGHT SIZE

1. Measure a garment that fits you.
2. Compare the measurements with the pattern.
3. Choose your size from the width of the body.
4. Length of body and sleeves; you can work them longer or shorter if you wish.

Edge-st: Slip 1 st at beginning of row and P1 at end of row.

The whole piece is worked with double strand.

FRONT AND BACK PIECES

Cast on 83 (99) 115 (131) 3 sts with colour 3 and needle size 10 mm. Work 6 cm rib and back and forth as follows:

Wrong side: 1 edge-st, P1 twisted, *K1, P1 twisted*, repeat from *-*, finish with 1 edge-st.

Right side: 1 edge-st, K1 twisted, *P1, K1 twisted*, repeat from *-*, finish with 1 edge-st.

NOTE! Tighten the first and last sts well.

Change to needle size 12 mm. Continue back and forth with stocking st and pattern according to diagram **A** with 1 edge-st on each side.

At the same time, on row 1, decrease 9 (12) 14 (17) sts evenly spaced = 74 (87) 101 (114) sts. Insert a marker in each side with 19 (22) 26 (29) sts on front piece and 36 (43) 49 (56) sts on back piece.

When diagram **A** is finished the piece measures approx. 27 (29) 31 (33) cm. Divide the piece at each side-marker and finish each piece separately.

BACK PIECE

= 36 (43) 49 (56) sts.

Work stocking stitch back and forth with colour 2. Work until the piece measures 29 (31) 33 (35) cm. Change to colour 1, and continue stocking st until the piece measures 46 (49) 52 (56) cm.

Cast off loosely as follows: *K2 twisted together, place st back on left needle*, repeat from *-* to end of round.

RIGHT FRONT PIECE

= 19 (22) 26 (29) sts.

Work back and forth with stocking st and pattern according to diagram **B** and 1 edge-st at beginning of row.

At the same time, on row 1, decrease for V-neck from right side as follows: 1 edge st, K1, K2 twisted together, work to end of row. Repeat the decrease every 2nd row a total of 5 (5) 7 (7) times = 14 (17) 19 (22) shoulder-sts. Work until the piece measures 46 (49) 52 (56) cm. Cast off.

LEFT FRONT PIECE

Work in the same way as the right front piece, but in reverse.

Decrease for V-neck from right side as follows:

Work until there are 4 sts left, K2 together, K1, 1 edge-st.

SLEEVES

Cast on 16 (18) 20 (22) 3 sts with colour 3 and needle size 10 mm. Work 6 cm rib in the round with K1 twisted, P1.

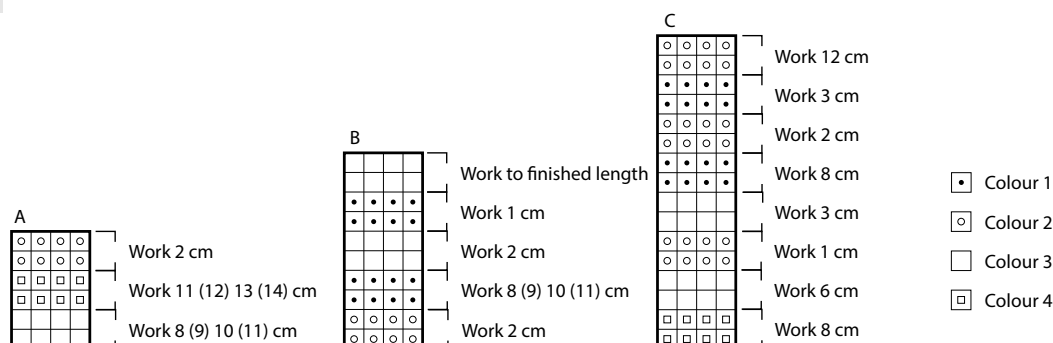

Change to needle size 12 mm and continue stocking st and pattern according to diagram **C**. **At the same time**, on row 1 increase 1 (14) 14 (14) 14 sts evenly spaced = 30 (32) 34 (36) sts. When diagram **C** is finished, the sleeve measures approx. 49 cm. Loosely cast off and work one more sleeve.
