SUGGESTED NEEDLES

3 mm and 3.5 mm long and short circular needles and DPNs

GAUGE

22 sts of stocking st on 3.5 mm needles = 10 cm

34 rounds of stocking st with needle size 3.5 mm = 10 cm

Check your gauge by working a swatch.

Count the number of sts per 10 cm. If you have more sts than suggested, change to a larger needle size. If you have fewer sts change to a smaller needle size.

FIND YOUR SIZE

1. Measure a knitted garment that fits you.
2. Compare your measurements with those in the pattern.
3. Select your size based on the upper body measurements.
4. Body and sleeves may be worked longer or shorter as desired.

M1R AND M1L

M1l: Pick up the strand between 2 sts, place it on left needle as shown in picture, work through the back loop.

M1r: Pick up strand between 2 sts, place it on left needle as shown in picture, work the front loop.

TIP! To get a neat transition when working stripes: Change colour and work 1 round. On R2 work the first st as follows: K through the st from the previous round instead of the st on the needle. K to end of round.

The piece is worked top down.

Stripes: Work 10 (10.5) 10.5 (11) 11.5 cm of stripes in this order: Colour 2, colour 1, colour 3, colour 4, colour 5.

YOKE

Cast on 116 (116) 124 (124) 132 sts with colour 1 on 3 mm circular needles. Work 6 cm rib in the round with P1 tbl, P1. Change to 3.5 mm needles. Continue with stocking st and **stripes, while at the same time** dividing the front and back pieces and the sleeves on R1: Work 17 (15) 15 (13) 13 sts (= left sleeve), PM around the next st (=MS, to be k), k 39 (41) 45 (47) 51 sts (= front piece), PM around the next st, k 17 (15) 15 (13) 13 sts (= right sleeve), PM around the next st, k 39 (41) 45 (47) 51 sts (= back piece), PM around the next st.

On the next R, increase for raglan by **m1r** before each MS and **m1l** after each MS = 8 increased sts. Repeat the raglan decreases on every other R 30 (31) 31 (33) 34 times, then every R 0 (2) 4 (5) 6 times = 356 (380) 404 (428) 452 sts. Divide the piece at each MS, with 79 (83) 87 (91) 95 sts for each sleeve and 99 (107) 115 (123) 131 sts for the front and back pieces respectively.

SLEEVES

Place sts from one sleeve on 3.5 mm needles & cast on 7 new sts underneath the arm = 86 (90) 94 (98) 102 sts. Continue with stocking st and stripes in the round. When you've finished the **stripes**, change to colour 2. Work until the piece measures approx. 46 cm from where you divided the pieces. Make any adjustments needed for the length. We recommend finishing with a whole stripe. On the final R *K2tog*, repeat *-* to end of round = 43 (45) 47 (49) 51 sts. Change to 3 mm needles and colour 1. Work 3 cm stocking st, P across 1 round (= folding-edge), then 3 cm stocking st. Cast off loosely. Work one more sleeve in the same way.

BODY

Place sts from front and back pieces onto 3.5 mm needles, and cast on 7 sts under each sleeve = 212 (228) 244 (260) 276 sts. Continue with stocking st and **stripes**. When you've finished the stripes, the piece will measure approx. 54 (56) 56 (59) 61 cm. Change to 3 mm needles and colour 1. Work 3 cm stocking st, **while at the same time**, on R2, increasing 12 (14) 16 (16) 16 sts evenly spaced = 200 (214) 228 (244) 260 sts. P across 1 R, then work 3 cm stocking st. Cast off loosely.

ASSEMBLY

Join underarm seams. Fold the neck double to the inside and sew down.
