BODY

Using 3.5 mm needles, cast on 210 (242) 288 sts with colour 1.

Work a twisted rib in the round (K1 tbl, P1) for 10 cm.

Change to 4.5 mm needles and continue with stocking st.

At the same time on R 1, decrease 28 (28) 38 sts evenly spaced = 182 (214) 250 sts.

PM in each side with 91 (107) 125 sts for both the front and back pieces.

When the piece measures 22 (22) 24 cm, begin working diagram **A**.

Begin at the arrow for your size on each side.

(The colourwork pattern will not match up on the sides.)

When you have completed the diagram, cast off 20 sts on each side for armholes (= 10 sts on each side of each m) = 71 (87) 105 sts on the front and back pieces.

The piece measures approx. 29 (29) 31 cm.

Set aside and work the sleeves.

SLEEVES

Using 3.5 mm DPNs, cast on 48 (52) 56 sts with colour 1.

Work a twisted rib in the round (K1 tbl, P1) for 10 cm.

Change to 4.5 mm needles and continue working

stocking st **while at the same time** decreasing 1 st on R 1 = 47 (51) 55 sts.

PM around the first and last sts (= m sts).

When the sleeve measures 11 cm, increase 1 st on each side of the marker-sts: **m1r** before the m sts and **m1l** after the m sts.

Repeat the increases every 2.5 (2) (1.5) cm until you have increased 11 (13) 17 times in total = 69 (77) 89 sts.

At the same time when the sleeve measures 38 (37) 36 cm, work diagram **A**. Count outwards from the middle of the sleeve to determine where the diagram should begin.

The increased stitches are worked into the pattern as you go. On the last R of the diagram cast off 20 (20) 26 underarm sts (= m sts + 9 (9) 12 sts on each side) = 49 (57) 63 sts.

Work one more sleeve.

YOKE

Place left sleeve, front piece, right sleeve, and back piece on 4.5 mm needles = 240 (288) 336 sts. Work diagram **B**. Make sure that the colourwork from the body/sleeves matches up with the rest of the body, you may need to move the beginning of the R a little in order to begin R with a full diagram. When you have completed the diagram there are 90 (96) 104 sts left.

NECKLINE

= 90 (96) 104 sts.

Change to 3.5 mm short circular needles and work a twisted rib in the round (K1 tbl, P1) with colour 1 for 8 cm. Cast off with K and P sts.

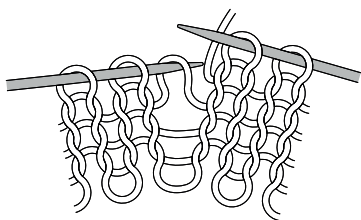

Fold the neck double to the WS and sew down.

ASSEMBLY

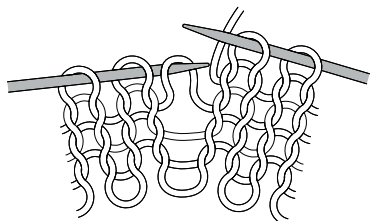

Join the underarm seams.

M1R AND M1L

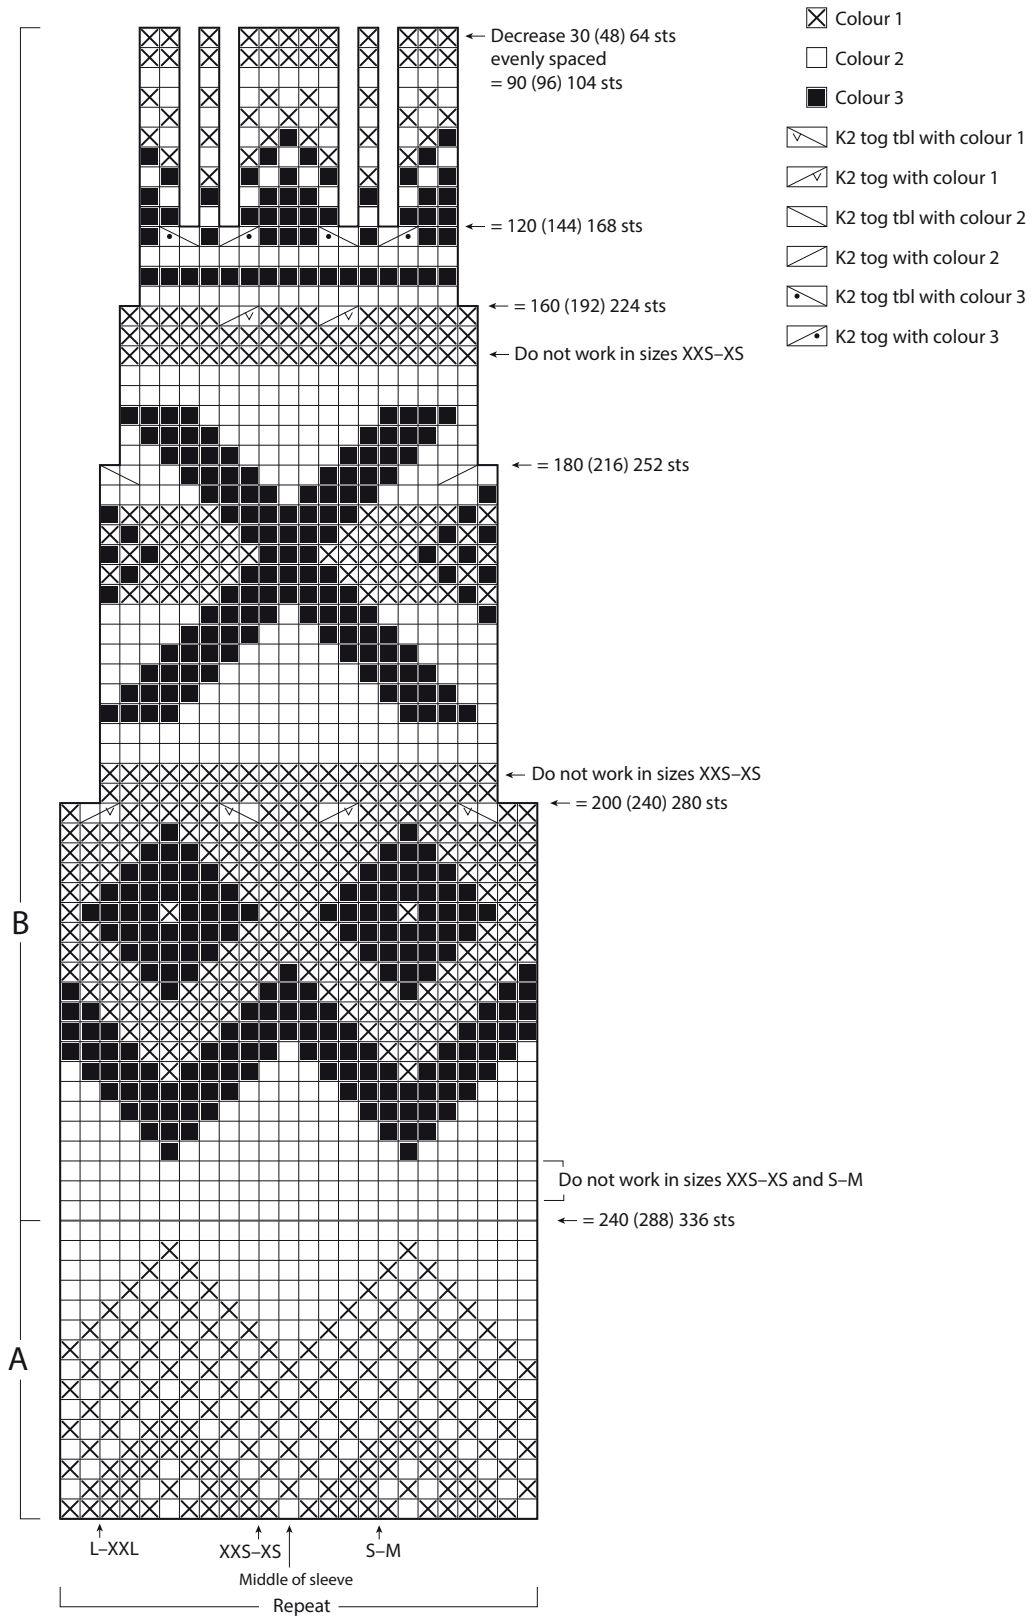

M1l: Pick up the strand between 2 sts, place it on left needle as shown in picture, work through the back loop.

M1r: Pick up strand between 2 sts, place it on left needle as shown in picture, work the front loop.
