2. Compare your measurements with those in the pattern.
3. Select your size based on the upper body measurements.
4. Body and sleeves may be worked longer or shorter as needed.

YARN ALTERNATIVES:

Dale Garn: Alpakka Forte

Du Store Alpakka: Dreamline Pure, Mini Sterk

Gjestal Garn: Silja Superwash, Baby Bomull

NOTE! If you choose another yarn quality pay attention to the following:

• Gauge

Make sure you have the same number of sts per 10 cm as indicated in the pattern.

• Meterage

Does your chosen yarn have the same meterage as indicated in the pattern? This can affect how much yarn you need.

• Rows/rounds vertically

Even if you have the same number of sts horizontally, sometimes the vertical gauge can be different. This could mean the length of the garment will not be the same as in the pattern.

• Fibres

The contents of the yarn affect the garment's quality, look, and characteristics.

BODY

Cast on 318 (350) 402 (434) sts on 2.5 mm circular needles. Work a twisted rib in the round (K1 tbl, P1) for 5 cm. Change to 3 mm needles and work stocking st. **At the same time** on R 1, decrease 40 (44) 52 (56) sts evenly spaced = 278 (306) 350 (378) sts. PM in each side with 139 (153) 175 (189) sts on each side for the front and back pieces. When the piece measures 31 (33) 36 (38) cm, cast off 24 (28) 30 (32) sts on each side for armholes (= 12 (14) 15 (16) sts on each side of each m) = 115 (125) 145 (157) sts on the front and back pieces. Set aside and work the sleeves.

SLEEVES

Cast on 60 (62) 64 (66) sts on 2.5 mm DPNs. Work a twisted rib in the round (K1 tbl, P1) for 8 cm. PM around the first and last sts (= m sts). Change to 3 mm needles and continue with stocking st. **At the same time** on R 1, increase 7 (9) 11 (13) sts evenly spaced = 67 (71) 75 (79) sts. When the sleeve measures 7 cm, increase 1 st on each side of the m sts. Repeat the increases every 1.5 (1.5) 1 (1) cm, 20 (22) 24 (26) times in total = 107 (115) 123 (131) sts. When the sleeve measures 44 (43) 42 (41) cm, or your preferred length, cast off 24 (28) 30 (32) underarm sts (= m sts + 11 (13) 14 (15) sts on each side) = 83 (87) 93 (99) sts. Leave sts on the needle and work the other sleeve.

YOKE

Place left sleeve, front piece, right sleeve, and back piece on 3 mm needles = 396 (424) 476 (512) sts. PM around 3 sts in each join (= 1 st from sleeve and 2 sts from front or back piece). Continue in the round with stocking st and work pattern according to diagram across the 3 m sts in each join. On R 2, begin decreasing for raglan: work to 2 sts before each diagram, *slip 1 st knitwise, slip the next st

knitwise, place both sts back on the left needle and K2tog tbl* (*-* = SSK), work pattern according to diagram, K2tog. Repeat raglan decreases every 2nd R, 25 (26) 26 (27) more times. **At the same time** on the last R of raglan decreases, cast off the middle 23 (23) 25 (27) sts on front piece for the neckline = 165 (185) 235 (261) sts. Work to end of R, cut yarn and move the beginning of the R to the left-hand side of the neckline. **NOTE!** Begin on a WS R so that the English rib st is worked on RS. Working flat, continue to decrease for raglan every 2nd row 6 (6) 4 (1) times, then every row 2 (4) 12 (19) times. **At the same time**, continue casting off for the neckline at the beginning of each R: 3,2 sts on each side, then 1 st at beginning of each R until the raglan decreases are finished. **NOTE!** Raglan decreases from WS: Work to 2 sts before m sts, slip 1 st, slip 1 more st, place them back on left-hand needle and P2tog tbl. P2 together after m sts.

NECKLINE

Change to 2.5 mm short circular needles and pick up approx. 13–14 sts per 5 cm around the neckline, including sts already on the needle = approx. 128–148 sts. St count must be divisible by 2. Work a twisted rib in the round (K1 tbl, P1) for 7 cm. **NOTE!** Make sure that sts from each join continue as K and P sts on the neckline. Cast off loosely with K and P sts.

ASSEMBLY

Fold the neck double to the WS and sew down. Join the underarm seams.

FISHERMAN'S RIB STITCH

Knit through the stitch from the previous row instead of the stitch currently on the needle.
