## BODY

Cast on 300 (320) 340 (360) 380 (400) sts with colour 5 on 2.5 mm needles. Work rib in the round (K2, P2) for 7 cm. PM around 1 st in each side, with 149 (159) 169 (179) 189 (199) sts between m on both the front and back pieces. Change to 3 mm needles, work stocking st and colourwork according to the diagram. Begin at the arrow for your chosen size. When the piece measures 38 (39) 40 (41) 42 (44) cm, cast off the m st on each side. Finish each piece separately.

## BACK PIECE

= 149 (159) 169 (179) 189 (199) sts.  
Continue in pattern as before, working flat.  
When the piece measures 56 (58) 60 (62) 64 (66) cm, cast off the middle 39 (41) 43 (45) 47 (49) sts for the neckline. Finish each side separately. Cast off for the neck every 2nd R: 2,1 sts = 52 (56) 60 (64) 68 (72) shoulder sts. Work until the piece measures 58 (60) 62 (64) 66 (68) cm. Cast off. Work the other side in the same way but in reverse.

## FRONT PIECE

= 149 (159) 169 (179) 189 (199) sts.  
Continue in pattern as before, working flat.  
When the piece measures 50 (52) 54 (56) 58 (60) cm, cast off the middle 27 (29) 31 (33) 35 (37) sts for the neckline.  
**NOTE!** You may want to adjust your neckline cast-off to be worked in the middle of 3 R of stocking st in the diagram. Work flat and continue with stocking st and colourwork, while casting off for the neckline at the beginning of each R: 3,2,1,1,1,1 sts on each side = 52 (56) 60 (64) 68 (72) shoulder sts. Work until the piece measures 58 (60) 62 (64) 66 (68) cm. Cast off. Work the other side in the same way but in reverse.

## SLEEVES

Cast on 68 (72) 76 (80) 84 (88) sts with colour 5 on 2.5 mm needles. Work rib in the round (K2, P2) for 7 cm. PM around the first st = m st. Change to 3 mm needles, work stocking st and colourwork according to the diagram. Count outwards from middle of sleeve to determine where the diagram should begin. The m st is always worked with the main colour of the part of the pattern you are on. When the sleeve measures 8 cm increase 1 st on each side of the m st. Repeat the increases every 1.5 cm a total of 20 (20) 21 (21) 22 (22) times = 108 (112) 118 (122) 128 (132) sts. The new sts are worked into the pattern. Work until the sleeve measures 45 cm (women) / 50 cm (men) or to your preferred length. We recommend finishing with a full R of a single colour in the pattern. Cast off loosely. Work one more sleeve.

## ASSEMBLY

Join the shoulder seams with mattress sts.  
Sew in the sleeves.

## NECKLINE

Begin on one shoulder. Using 2.5 mm circular needles and colour 5, knit up approx. 13 sts per 5 cm along the neckline = approx. 128 (132) 136 (140) 144 (148) sts. St count must be divisible by 4. Work a **round neckline: 7 cm / high neckline: 24 cm** rib in the round (K2, P2). Cast off loosely.  
**Round neckline:** Fold the edge double to the WS and sew down with loose stitches.  
**High neckline:** Fold the neckline double to the RS.
