Christine is wearing Vilje's Jumper V2 in a size M.

The jumper is worked from the bottom up. Work the body and sleeves first, then join the pieces together into a yoke which is finished with raglan decreases. The neckline is worked last.

NOTE! The entire garment is knitted with 1 strand of each yarn, held double.

BODY

Cast on 128 (142) 156 (168) 180 sts on 9 mm needles.

Work stocking st in the round.

PM between 2 sts in each side = 64 (71) 78 (84) 90 sts for the front and back pieces. R begins at one m (you may want to choose a different colour for this m).

When your work measures approx. 14 cm, decrease 1 st on each side of each m as follows:

Begin at the first m. *K1, K2tog, work until 3 sts remain before the next m, K2tog tbl, K1*, repeat from *-* once more = 124 (138) 152 (164) 176 sts.

SUGGESTED NEEDLES

9 mm circulars, 80 cm

6 mm and 9 mm circulars, 40 cm

GAUGE

10.5 sts x 14 R stocking st, with yarn held double on 9 mm needles = 10 x 10 cm

Check your gauge by working a swatch. Count the number of sts per 10 cm. If you have more sts than suggested, change to a larger needle size. If you have fewer sts change to a smaller needle size.

FIND YOUR SIZE

1. Measure a knitted garment that fits you.
2. Compare your measurements with those in the pattern.
3. Select a size based on the upper body measurements.
4. Body and sleeves may be worked longer or shorter as needed.

Pattern by: Christine Dancke and Hrönn Jónsdóttir

Repeat the decreases every 10 (11) 12 (13) 13 cm another 2 times = 116 (130) 144 (156) 168 sts (= 58 (65) 72 (78) 84 sts on front and back pieces).

When the piece measures approx. 44 (49) 51 (54) 55 cm, or your preferred length, cast off 14 stitches in each side for the armholes (= 7 sts on each side of each m) = 44 (51) 58 (64) 70 sts on the front and back pieces.

Leave sts on needle and work the sleeves.

SLEEVES

Cast on 50 (52) 54 (54) 56 sts on 9 mm needles. Work stocking st in the round until the sleeve measures 48 cm or to desired length. On the last R cast off 14 underarm sts (= the first and last 7 sts on R) = 36 (38) 40 (40) 42 sts.

Set aside and work one more sleeve in the same way.

YOKE

Place left sleeve, front piece, right sleeve, and back piece on 9 mm circular needles = 160 (178) 196 (208) 224 sts. PM in each join = 4 m. R now begins in the join between the back piece and the left sleeve.

NOTE! Read the rest of the paragraph carefully, as you will be making your neckline decreases before finishing all the raglan decreases.

Continue in the round with stocking st as before.

At the beginning of R2, decrease for raglan at each m: *K1, slip 1 st K-wise, place the st back onto your left needle (you will see the st is now "twisted") and K2tog tbl. Work until 3 sts remain before the next m, K2tog, K1*, repeat from *-* to end of R = 8 st decreased (2 sts between decreases in each join).

Work 3 (2) 1 (1) 1 R without decreasing. On the next R, repeat the raglan decreases as before = 144 (162) 180 (192) 208 sts. Repeat the raglan decreases on every other R, 6 (8) 10 (10) 11 more times = 96 (98) 100 (112) 120 sts.

On the next R, cast off the middle 14 (15) 16 (16) 18 in front for the neckline = 82 (83) 84 (96) 102 sts.

Work to end of R and cut yarn. R now begins at the front by the neckline.

Begin with a R from the RS. Working flat, continue with stocking st (= K from RS and P from WS) and continue decreasing for raglan on every other R as before. **At the same time**, continue to decrease for neckline at the beginning of each R: Cast off 3 sts once on each side, 2 sts once on each side, then 1 st on each side until you have worked a total of 14 (16) 18 (18) 19 raglan decreases on the back piece (= 6 times after the neckline cast-off in all sizes).

Continue decreasing for raglan on the front piece for as long as you have enough sts left. The neckline decreases run over the raglan decreases in front.

Cast off.

NECKLINE

Make sure to work the neckline with the correct gauge, for the right look and length for this garment (see gauge for ribbing).

Pick up 70 (72) 74 (74) 74 along the neckline on 6 mm needles. Work a rib (K1, P1) in the round for 10 cm.

Cast off loosely using K and P sts.

ASSEMBLY

Join underarm seams.
