SUGGESTED NEEDLES

3.5 mm and 4.5 mm long and short circular needles and
DPNs

GAUGE

18 sts x 21 R stocking st and colourwork on 4.5 mm needles
= 10 x 10 cm

Check your gauge by working a swatch.

Count the number of sts per 10 cm. If you have more sts than suggested, change to a larger needle size. If you have fewer sts change to a smaller needle size.

FIND THE RIGHT SIZE

1. Measure a knitted garment that fits.
2. Compare your measurements with those in the pattern.
3. Select a size based on the upper body measurements.
4. Body and sleeves may be worked longer or shorter as needed.

Pattern by Ane Kydland Thomassen

ABBREVIATIONS

k = knit, p = purl, st = stitch, R = round/row(s),

DPN = double pointed needles, K2 tog = knit 2 together,

tbl = through back loop, m = marker, PM = place marker,

RS/WS = right/wrong side

Begin with the sleeves.

SLEEVES

Cast on 24 (28) 28 (32) 32 sts with colour 1 on 3.5 mm needles. Work rib in the round (K2, P2) for 6 cm. Change to 4.5 mm needles. Work 1 R stocking st, **while at the same time** increasing 5 sts evenly spaced = 29 (33) 33 (37) 37 sts. PM around the first and last sts = m sts. Continue with stocking st and colourwork according to the diagram. Count outwards from middle of sleeve to determine where the diagram should begin. When the sleeve measures 7 cm, increase 1 st on each side of the m st. Repeat the increases every 2 (3.5) 3 (3.5) 3 cm a total of 8 (7) 9 (8) 10 times = 45 (47) 51 (53) 57 sts. Work until the sleeve measures 27 (32) 36 (38) 41 cm. On the last R, cast off 8 (8) 10 (10) 10 underarm sts (= m st + 3 (3) 4 (4) 4 sts on each side) = 37 (39) 41 (43) 47 sts. **Measure 16 (20) 23 (26) 29 cm from the top of the sleeve, along a vertical line of sts. PM. This is a reference point for where to begin working the diagram on the body.**

The Handball Jumper is inspired by the Trysling Jumper from the Dale archives. The Trysling pattern was originally published in the 1950s.

DIAGRAM

BODY

Cast on 116 (124) 132 (148) 156 sts with colour 1 on 3.5 mm needles. Work rib in the round (K2, P2) for 6 cm. Change to 4.5 mm needles. Work 1 R stocking st, **while at the same time** increasing 2 sts evenly spaced = 118 (126) 134 (150) 158 sts. PM in each side with 59 (63) 67 (75) 79 sts on both the front and back pieces. Continue with stocking st and colourwork according to the diagram. Use the reference m on the sleeve to determine where to begin working the diagram, this ensures you get the correct length for the body. **NOTE!** Adjust the beginning if needed, in order to begin with a complete repeat. Begin at the arrow for your chosen size at each marker. Work until the piece measures approx. 22 (26) 29 (32) 35 cm. **NOTE!** Finish with the same R in the diagram as on the sleeves. On the last R, cast off 8 (8) 10 (10) 10 sts for the armholes on each side (= m sts + 3 (3) 4 (4) 4 sts on each side) = 51 (55) 57 (65) 69 sts on both the front and back pieces. Leave sts on the needle.

YOKE

Place left sleeve, front piece, right sleeve, and back piece on 4.5 mm needles = 176 (188) 196 (216) 232 sts. PM in each join = 4 m. R begins between the back piece and left sleeve. Continue in the round with stocking st and colourwork according to diagram. **At the same time** on R 2, decrease for raglan by K2 tog tbl before each m and K2 tog after each m. Repeat the raglan decreases every 4th round 2 (2) 2 (1) 0 more times, then every 2nd round 7 (8) 9 (11) 13 times. **At the same time**, on the last R of raglan decreases, cast off the middle 15 (17) 17 (19) 19 sts on front piece for the neckline = 81 (83) 83 (93) 101 sts. Working stocking st and colourwork flat, continue decreasing for raglan every 2nd R as before and continue casting off for the neckline at the beginning of each R on each side: 3, 2 sts, then 1 st on each side until you have decreased for raglan a further 3 (3) 3 (4) 5 times. **NOTE!** When working raglan decreases from the WS, P2 tog before each m and P2 tog tbl after each m. **NOTE!** The neckline cast-off will go across the raglan decreases on the front in some sizes.

ASSEMBLY

Join the underarm seams.

NECKLINE

Use 3.5 mm needles. Begin at the right shoulder and K 1 round with colour 1. **At the same**, pick up approx. 9 sts pr 5 cm around the neckline. Work a **round neckline**: 5 (5) 6 (6) 6 cm / **high neckline**: Work 18 (18) 20 (20) 22 cm rib in the round (K2, P2). **At the same time** on R 1, adjust your st count to 76 (76) 80 (80) 84 sts. Cast off loosely. **Round neckline**: Fold the edge double to the WS and sew down with loose sts. **High neckline**: Fold the neckline double to the RS.
