SUGGESTED NEEDLES

6 mm and 9 mm circulars, 60 cm

6 mm and 9 mm circulars, 40 cm

6 mm and 9 mm double pointed needles (DPNs)

GAUGE

10.5 sts x 14 R stocking st, with yarn held double on 9 mm needles = 10 x 10 cm

15 sts ribbing with yarn held double on 6 mm needles (lying flat) = 10 cm

Check your gauge by working a swatch. Count the number of sts per 10 cm. If you have more sts than suggested, change to a larger needle size. If you have fewer sts change to a smaller needle size.

FIND THE RIGHT SIZE

1. Measure a knitted garment that fits.
2. Compare your measurements with those in the pattern.
3. Select a size based on the upper body measurements.
4. Body and sleeves may be worked longer or shorter as needed.

Pattern by: Christine Dancke and Hrönn Jónsdóttir

The jumper is worked from the bottom up. Work the body and sleeves first, then join the pieces together into a yoke which is finished with raglan decreases. The neckline is worked last.

NOTE! The entire garment is knitted with yarn held double (1 strand of each yarn)

BODY

Cast on 72 (76) 80 (84) 94 (102) 112 sts using 9 mm needles. Work stocking st in the round.

PM between 2 sts in each side = 36 (38) 40 (42) 47 (51) 56 sts for the front and back pieces.

R begins at one m (you may want to choose a different colour for this m).

When your work measures approx. 10 (12) 13 (14) 11 (12) 13 cm, decrease 1 st on each side of each m:

Begin at the first m, and *K1, K2tog, K until 3 sts remain before the next m, K2tog tbl, K1*, repeat from *-* once more = 68 (72) 76 (80) 90 (98) 108 sts.

Repeat the decreases every – (–) – (–) 11 (12) 13 cm a further 0 (0) 0 (0) 1 (1) 1 time = 68 (72) 76 (80) 86 (94) 104 sts (= 34 (36) 38 (40) 43 (47) 52 sts for the front and back pieces).

When the piece measures approx. 21 (24) 27 (29) 33 (35) 39 cm or your preferred length, cast off 6 (8) 8 (8) 10 (10) 12 stitches in each side for the armholes (= 3 (4) 4 (4) 5 (5) 6 sts on each side of each m) = 28 (28) 30 (32) 33 (37) 40 sts on the front and back pieces.

Leave sts on needle and work the sleeves.

SLEEVES

Cast on 22 (24) 26 (28) 30 (32) 34 sts on 6 mm needles.

Work a rib (K1, P1) in the round for 5 (6) 6 (7) 7 (8) 8 cm.

PM around first and last sts = underarm m sts.

Change to 9 mm needles. Continue with stocking st in the round, **while at the same time** on R 1 increasing 1 st on each side of the m sts = 24 (26) 28 (30) 32 (34) 36 sts.

NOTE! Increase by using **m1l** after the m sts and **m1r** before the m sts. (See illustration at the end of this pattern.)

Repeat the increases every 3 (4) 5 (6) 6 (7) 7.5 cm, 4 times in total = 30 (32) 34 (36) 38 (40) 42 sts.

When the sleeve measures approx. 18 (23) 27 (32) 35 (37) 39 cm or your preferred length, cast off 6 (8) 8 (8) 10 (10) 12 underarm sts (= m sts and 2 (3) 3 (3) 4 (4) 5 sts on each side) = 24 (24) 26 (28) 28 (30) 30 sts.

Set aside and work one more sleeve in the same way.

YOKE

Place left sleeve, front piece, right sleeve, and back piece on 9 mm circular needles = 104 (104) 112 (120) 122 (134) 140 sts. PM in each join = 4 m.

R now begins in the join between the back piece and the left sleeve.

NOTE! Read the rest of the paragraph carefully, as you will be making your neckline decreases before finishing all the raglan decreases.

Continue in the round with stocking st as before. Begin at the 1st st on R 2, and decrease for raglan at each m as follows:

K1, slip 1 st K-wise, place the st back onto your left needle (you will see the st is now "twisted") and K2tog tbl. Work until 3 sts remain before the next m, K2tog, K1, repeat from *-* to end of R = 8 sts decreased (2 sts between decreases in each join).

Work 0 (1) 1 (2) 3 (3) 2 R without decreasing.

On the next R, repeat the raglan decreases as before = 88 (88) 96 (104) 106 (118) 124 sts. Repeat the raglan decreases every 2nd R another 4 (4) 5 (5) 5 (6) 6 times = 56 (56) 56 (64) 66 (70) 76 sts.

On the next R, cast off 8 (8) 8 (10) 11 (11) 12 sts mid-front for the neckline = 48 (48) 48 (54) 55 (59) 64 sts.

Work to end of R and cut yarn. R now begins in front by the neckline.

Begin with a R from the RS. Working flat, continue with stocking st (= K from RS and P from WS) and continue decreasing for raglan on every other R as before.

At the same time continue to work neckline decreases at the beginning of each R:

Cast off 2 sts on each side 1 (1) 1 (1) 1 (1) 2 times, then 1 st on each side until you have worked 9 (9) 10 (10) 10 (11) 12 raglan decreases in total on the back piece (= 3 (3) 3 (3) 3 (3) 4 times after the neckline cast-off).

Continue decreasing for raglan on the front piece for as long as you have enough sts left. The neckline decreases run over the raglan decreases in front.

Cast off.

NECKLINE

Make sure to work the neckline with the correct gauge, for the right look and length for this garment (see gauge for ribbing).

Pick up 58 (60) 62 (64) 64 (66) 68 around the neckline using 6 mm needles. Work a rib (K1, P1) in the round for 6 (6) 7 (7) 8 (8) 9 cm.

Cast off loosely using K and P sts.

ASSEMBLY

Join underarm seams. Fold the neck double to the WS and sew down with loose stitches.

M1R AND M1L

M1l: Pick up the strand between 2 sts, place it on left needle as shown in picture, work through the back loop.

M1r: Pick up strand between 2 sts, place it on left needle as shown in picture, work the front loop.
