SUGGESTED NEEDLES

3 mm and 4 mm long and short circular needles and DPNs

GAUGE

22 sts x 26 R stocking st and colourwork on 4 mm needles
= 10 x 10 cm

NOTE! If you get more or fewer R vertically than the listed gauge, you will need to adjust the length of pattern B on the front/back pieces and sleeves in order to achieve the correct full length.

If you get *more* than 26 R per 10 cm vertically, the colourwork pattern will be shorter and you will need to add a longer part of stocking st with colour 1 before starting the colourwork.

If you get *fewer* than 26 R per 10 cm vertically, the colourwork pattern will be longer and you will need to work fewer R of stocking st with colour 1 before starting the colourwork.

NOTE! Make sure you keep the gauge when working the colourwork.

For the free pattern for Normann Jumper for children, see DG 479-04 on houseofyarn.no

Check your gauge by working a swatch. Count the number of sts per 10 cm. If you have more sts than suggested, change to a larger needle size. If you have fewer sts change to a smaller needle size.

FIND THE RIGHT SIZE

1. Measure a knitted garment that fits.
2. Compare your measurements with those in the pattern.
3. Select a size based on the upper body measurements.
4. Body and sleeves may be worked longer or shorter as needed.

BODY

Cast on 184 (204) 216 (236) 256 (276) 292 (312) sts with colour 1 on 3 mm needles. Work a rib (K2, P2) in the round for 6 cm. PM around 1 st on each side, with 91 (101) 107 (117) 127 (137) 145 (155) sts between the m sts for front and back pieces.

Change to 4 mm needles and work 1 R of stocking st.

Work diagram **A** (begin at the arrow for your chosen size at each m st) and continue with colour 1 and stocking st.

When the piece measures 33 (35) 37 (39) 41 (43) 45 (47) cm work diagram **B**.

Begin at the arrow for your chosen size at each m st (the colourwork pattern does not fit over the side m but is the same on the front and back pieces).

When the piece measures 51 (53) 55 (57) 59 (61) 63 (65) cm, cast off the middle 13 (15) 17 (19) 21 (23) 25 (25) sts on the front piece for the neckline.

Finish the piece working flat, **while at the same time** casting off for the neckline at the beginning of each R: 3,3,2,1,1,1 sts on each side = 149 (167) 177 (195) 213 (231) 245 (265) sts.

Cast off when you have finished diagram **B**.

Your work now measures approx. 57 (59) 61 (63) 65 (67) 69 (71) cm.

SLEEVES

Cast on 44 (44) 48 (48) 52 (52) 56 (56) sts with colour 1 on 3 mm needles. Work rib (K2, P2) in the round for 6 cm.

PM around the first st = m st.

Change to 4 mm needles and continue with stocking st.

When the sleeve measures 7 cm, increase 1 st on each side

of the m st. Increase by **m1l** after m st and **m1r** before m st. Repeat the increases every 2 (1.5) 1.5 (1.5) 1.5 (1.5) 1.5 1 cm (women) / 2 (2) 2 (2) 2 (1.5) 1.5 (1.5) cm (men) a total of 20 (22) 22 (24) 24 (27) 27 (29) times = 84 (88) 92 (96) 100 (106) 110 (114) sts. **At the same time** when the piece measures 24 cm (women) / 29 cm (men), work diagram **B**.

Count outwards from the middle of the sleeve to determine where the diagram should begin. The increased sts are worked into the pattern as you go. When you've worked the full diagram, the sleeve will measure approx. 48 cm (women) / 53 cm (men).

Change to colour 1 and work 1 R stocking st, then work reverse stocking st (K on WS, P on RS) flat for 2 cm.

Cast off and work the other sleeve in the same way.

STEERING AND ASSEMBLY

Lightly steam the piece.

Mark the sleeve-width on each side. Using a sewing machine, sew 2 seams with small sts on each side of the m st. Cut up between the seams. Graft the shoulder seams together.

Sew in the sleeves. Make sure middle of sleeve matches the shoulder seam. Sew the lining over the steering edge.

NECKLINE

Begin on one shoulder.

Using 3 mm short circular needles and colour 1, pick up approx. 11 sts per 5 cm around the neckline. St count must be divisible by 4.

Work rib (K2, P2) in the round for 7 cm. Cast off loosely. Fold the edge double to the WS and sew down with loose sts.
