DMC Mouliné Special embroidery thread 117MC Cross stitch fabric / aida Cross stitch needle Embroidery hoop (optional) Scissors

Design size (module) 12 x 12 cm / 4,7 x 4,7 "

The size of your design depends on the cross stitch fabric you choose. The higher the fabric's "count" (ie number of cross stitches per inch), the smaller the stitches and therefore your design. We recommend beginners start with 14 count aida (the most common cross stitch fabric), which is what we have based our design size on.
