

TUBESCARF

MATERIALS

- A piece of fabric 55 x 170 cm

1. Cut a piece of fabric 55 x 170 cm. Sew together as a tube wrong side against wrong side with a 0.4 cm hem, turn the wrong side out, and sew again with a 0.5 cm hem, so the edge that unravels don't show.

2. Hemstitch the scarf 2 x 0.5 cm onto the wrong side of work, a bias band can be sewn on top of the hemstitch.
