# DENIM PATCHWORK KIMONO

**1.** You will need 4 different denim fabrics that you cut into patchwork squares.

**2.** Our patchwork tools are great. Use them to cut fabric precisely.

**3.** Sew the squares together in strips.

**4.** Overlock or zigzag the raw seams. Press the seams (iron on the wrong side).

**5.** Sew the strips together. Overlock/zigzag the seams. Press.

**6.** Lay out your pattern pieces. Cut out and sew the kimono.

**7.** To give your denim patchwork a nice worn look, rub with sandpaper.

**8.** Cut small slits using a small pair of scissors - for a raw and fringed edges. Wash in the washing machine to highlight the stressed look.

**9.** The finished look.
