

# STUMP COVER

## MATERIALS

- Fabric for the cover
- Elastic 1 cm
- cotton batting, if needed

## INSTRUCTIONS:

Measure the diameter of the tree stump, cut a circle from the fabric, circle should be approx 10 cm larger in diameter than the stump.

If using cotton batting, cut 2 circles of the same diameter as the tree stump to place under the cover

- Overlock or zigzag the hem
- Stitch 2 pieces of elastic to the wrong side of the fabric, one placed approx. 2 cm from the hem and the other approx. 3.5 cm from the hem. If needed, mark the fabric where the elastic is to be stitched. Stretch the elastic while stitching.
