

## MUSIC BALLOON

## MATERIALS

- (30 cm) Jersey fabric
- (30 cm) Interlining
- (30 cm) Cotton batting
- 40 cm Gros grain ribbon
- Music box with pull string
- 40 g Fibre stuffing
- approx. 20 cm Leather cord 1 mm

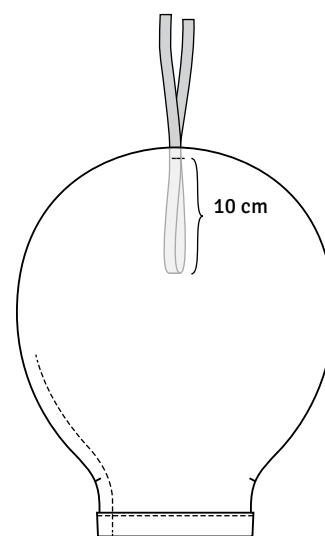

fig. 1

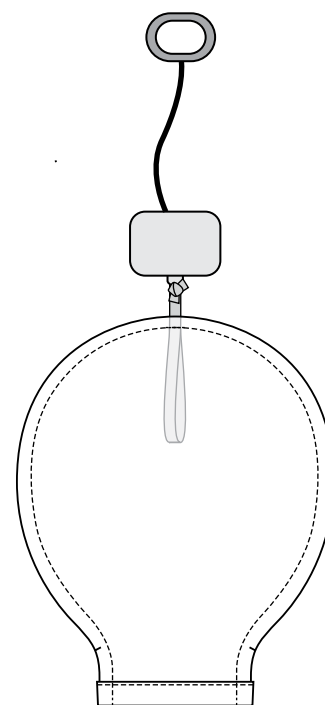

fig. 2

## INSTRUCTIONS:

## Cutting instructions:

**Section 1:** Cut out 2 x fabric, 2 x cotton batting and 2 x interlining.

**Section 2:** Cut once.

## Sewing instructions:

- Iron the interlining onto the fabric and sew the cotton batting onto the reverse of the balloon with a 0.5 cm seam.
- Stitch the ends of the drawstring hem 1 cm onto the reverse, while pressing the sides 0.5 cm onto the reverse.
- Stitch the hem of the balloon 2 cm onto the reverse, press.
- Sew the two balloon sections together, sew roughly 10 cm after the notch. (See fig.1)
- Sew the drawstring hem on the balloon, placing the top edge of the drawstring hem by the notch.
- Thread the gros grain ribbon through the "eye" of the music box, tie in a tight knot or sew the ribbon together.
- Sew the gros grain ribbon on the balloon after the notch. (See fig.2)
- Sew the rest of the balloon together, turn the right side out. The music box is now inside the balloon.
- Thread the leather cord through the drawstring hem.
- Stuff the balloon with fibre stuffing.
