## Instructions:

Cutting instructions:

Part 1 Balloon cut out 2 x fabric and 2 x cotton batting

Part 2 Drawstring hem cut out 1 x fabric

Sewing instructions:

- Sew the cotton batting onto the reverse of the balloon with a 0.5 cm seam.
- Cut 40 cm ribbon/cord. Sew the ribbon on one balloon part after the notch. (See fig.1)
- Stitch the ends of the drawstring hem 1 cm onto the reverse, while pressing the sides 0.5 cm onto the reverse.
- Stitch the hem of the balloon 2.5 cm onto the reverse, press.
- Sew the two balloon sections together, sew roughly 10 cm after the notch. (See fig.1)
- Sew the drawstring hem on the balloon, placing the top edge of the drawstring hem by the notch. (See fig.2)
- Thread the ribbon through the "eye" of the music box, tie in a tight knot or sew the ribbon together. (See fig.3)
- Sew the rest of the balloon together (see fig.3), turn the right side out. The music box is now inside the balloon.
- Thread the cord through the drawstring hem.
- Stuff the balloon with fibre stuffing.
