# Snuggly blanket with teething ring

FREE DIY

Materials

- Teething ring
- Fabric, e.g. muslin
  (approx. 60 × 20 cm)

1. Using the template, cut 2 snuggly blanket pattern pieces. Sew the two pieces together with right sides together. Leave gap between the notches at the bottom open for turning.

2. Trim rounded parts of seams, turn to right side and press.

3. Fold the snuggly blanket through the ring as shown in fig. 1, 2 and 3.
