DIY

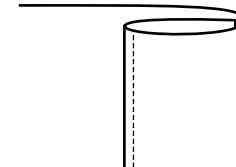

Towel embellished with cotton fabric and strap

- 1.**
- Fold the strap double, right sides together. Stitch (0.5 seam allowance).
 - Turn, press and topstitch the strap.
 - Sew the strap to the top edge of the towel, centred, on the wrong side.

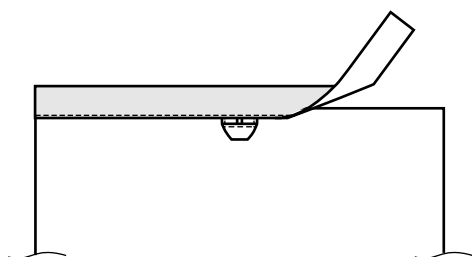

- 2.**
- Sew cotton fabric edging to the top edge of the towel, right side facing the wrong side of the terry, with the strap in between.

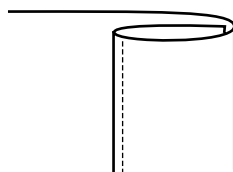

- 3.**
- Press the edging to the right side. At the same time, press the other side of the edging 1 cm to the wrong side.
 - Topstitch edging to the towel. Topstitch the top edge.
 - Fold and stitch sides and bottom edges 2 x 1 cm to the wrong side.

Towel embellished with cotton fabric and strap

- 4.**
- Fold strap double, wrong sides together. Topstitch the strap edges.
 - Sew the strap to the top edge of the towel, centred, on the wrong side.
 - Sew the strap to the top edge of the towel, the wrong side of the ribbon facing the wrong side of the terry.

- 5.**
- Fold the tape to the right side of the towel and topstitch. Press.
 - Fold and stitch sides and bottom edges 2 x 1 cm to the wrong side.
