**MATERIALS**

- Fabric for large tail, 45 cm
- Fabric for small tail, 30 cm
- Batting w/glue large, 20 cm
- Batting w/glue small, 15 cm
- Elastic, 5 mm

*Hey there! Give the doll a pretty seashell necklace and a sweet floral ribbon in her hair. Then she's ready for magical underwater adventures!*

- Cut 2 pieces of batting using tail fin template.
- Tape template halves together (A to A and B to B). Cut 2 pieces of fabric using the whole mermaid tail template.
- Iron the batting onto the lower end of the tail.
- Sew the 2 pieces together (0.5 cm seam allowance). Trim corners. Turn to right side. Press.
- Overlock the side seams and top.
- Sew stitching onto the tail. See template.
- Cut a 20 cm length of elastic for the large tail and a 15 cm length for the small tail. Sew elastic to form a circle.
- Fold fabric to the wrong side at the top. Sew a drawstring hem on the mermaid tail with the elastic inside it.
