- Cut 1 piece of Fibersoft batting, measuring 105 cm x 180 cm.
- Lay the Fibersoft batting on the wrong side of one piece of fabric. Secure with pins. If you like, you can use safety pins.
- Sew Fibersoft batting and fabric together (1 cm seam allowance).
- Place the second piece of fabric on top with the right sides of the fabric pieces facing. Pin these 3 layers together. If you like, you can use safety pins.
- Sew the pieces together. Sew over the previous stitching line and leave about a 30 cm gap for turning.

- Sew gap with small invisible stitches to close.
- Optional: Decorate with ribbon or make 4 tassels (DIY8017) and sew them to the corners of your quilted blanket.
