

## COOL NURSERY DECORATION

# WALL HANGING

### MATERIALS

- 0.25 m fabric
- Dowel item no. 99002
- Ribbon fringe
- Anorak cord
- Patches/letters
- Wonder tape
- Thread
- Scissors and sewing machine

*Hey... Make this easy wall hanging any size you like.*

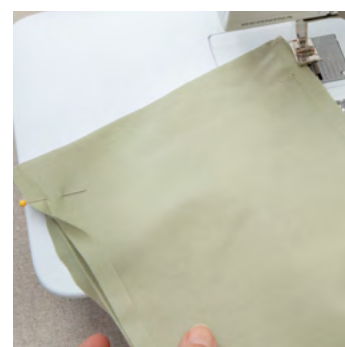

**1.** Make sure you have all the materials you need

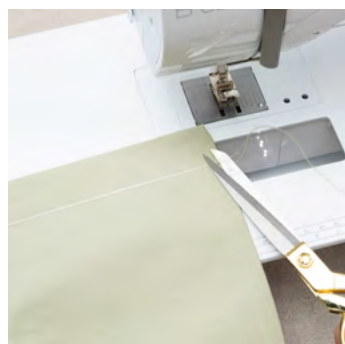

**2.** Make a template and cut it out. Remember to add seam allowance and drawstring hem. Lay the "flat" side against the fold. Cut out.

**3.** Fold the edge 1 cm to the wrong side on both sides of the fabric and press.

**4.** Back stitch on the wrong side. Start 3 cm down. Sew inside the press fold (step 3). Turn right sides out.

**5.** Stitch 3 cm down from the fold to make a drawstring hem for the dowel.

**6.** Affix a strip of wonder tape. This makes attaching the fringed ribbon easier. Pin the fringed ribbon in place and sew on firmly.

**7.** Iron on patch and letters. Use a cloth to protect the iron-on letters. Saw the dowel to the desired length. Use a length of anorak cord to hang.
