

Make bedtime special

DIY: Upholstered headboard - cloud

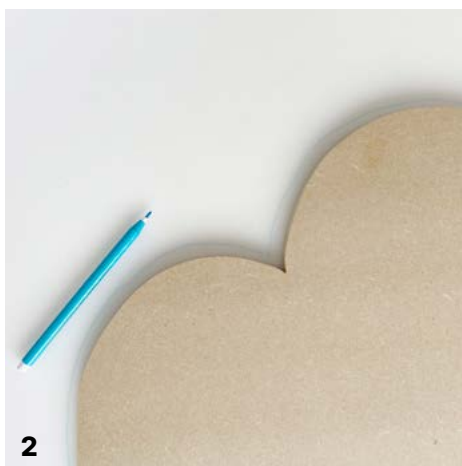

Materials

- Hobby foam (item no. 38080000)
- MDF board (e.g. 12 mm thick) in desired size and shape
- Template
- Upholstery fabric
- Staple gun and staples
- Glue gun or spray glue, marking pen, scissors, pencil and measuring tape

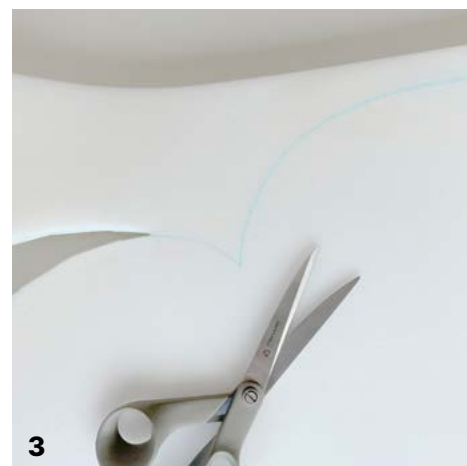

Pssst ... Design your own headboard in the shape, size and fabric of your choice. You can also make it as a backrest.
