**1**  
Row 1: 20 pcs. 14 x 1 cm felt strips, (6 cm up).  
Row 2: 17 pcs. 14 x 1 cm felt strips, (9 cm up).  
Row 3: 13 pcs. 14 x 1 cm felt strips, (12 cm up).  
Row 4: 9 pcs. 14 x 1 cm felt strips, (15 cm up).  
Row 5: 6 pcs. 14 x 1 cm felt strips. (1 cm from top)  
Top piece x 2, (at top).

Attach strips in rows using pins or glue them on, see placement in parentheses.  
The two top pieces are glued together edge to edge and attached in alternating layers to cover any holes.

**2**  
Cut 7 pcs. 60 1 x cm strips.  
Apply glue from the top of the Styrofoam ball, twisting downward.  
Pieces can be glued together into one long strip.  
Finish neatly at the bottom by cutting the end at an angle, as shown below.

**3**  
Cut small triangles freehand and glue on individually.  
Start from the top and finish at the bottom.
