

Decorations for the Christmas tree or home

DIY: Pearl star

Materials

- Steel wire 0.6 mm
- Wire 0.41 mm
- Pliers set for jewellery making
- Measuring tape
- Matsuno beads, other beads can also be used
- Pen
- Optional ribbon

Pssst ... If you omit the twisted part (step 5), the star can also be used as a hanger. With a beautiful ribbon, it can be used as a window decoration.
