DIY: Beaded Mistletoe

Materials

- Matsuno glass beads, 3mm
- Set of pliers or wire cutter
- Jewellery wire, 0.41 mm
- Bead (mother of pearl), 10 mm

Create your own beautiful beaded mistletoe for Christmas. Perfect as a decoration or a creative gift idea! All you need are beads, a wire, pliers, and a bit of patience. Follow the guide and make a decorative mistletoe that will last for years to come.
