

DOODLE CLAY FOR EASTER DECORATIONS

**MATERIALS**

- Doodle Clay Kit
- Doodle Clay/clay, off-white 200 g
- Rolling pin
- Baking paper and baking sheet
- Textile paint, Soft tex (e.g. yellow, blue, pink)
- Foam brush, brushes
- Materials for patterns, eg lace fabric, middle piece, coarse hessian, sewing label (e.g. rabbit), chicken wire and leaves

'Pssst ...! Express yourself, with exactly those patterns you feel like.

1. Roll out the clay - no thinner than 2 mm.

2. You can use a variety of different materials to make patterns in the clay - let your imagination loose!

3. Lay a template over the clay and cut around the template.

4. Make a hole for hanging, before the items are baked. Put the finished items on a baking sheet with baking paper - bake at 130 degrees Celcius in the oven for 20 - 30 minutes (266 degrees Fahrenheit)

5. After baked and cooled, paint the items with textile paint. For a more transparent look: Mix some water into the paint before dabbing or brushing. For hanging, twine (hemp, flax coloured) is used.
