

Yarn-wrapped Easter wreath

Materials

- Styrofoam ring (Item no. 39024)
- FRAYA Steady, gul mix (Item no. 90000148)
- Sequins mix (Item no. 47800)
- Matsuno glass bead 8/0 (Item no. 47119), (Item no. 47112), (Item no. 47121), (Item no. 47118), (Item no. 47123)
- Pins (Item no. 46532)

1. Pick a skein of wool and wrap the yarn around the styrofoam ring. Make sure you wrap the ring tightly and you place the strands close together, to ensure full coverage. You can secure the end with a small pin or tie a knot.

**FREE
DIY**

2. Add a small bead and a sequin to a pin (bead first) to form flowers.

3. Pin the flowers to your wrapped ring

4. Finish with a small bow in satin ribbon.
