

Raffia-wrapped Easter wreath

**FREE
DIY**

Materials

- Styrofoam ring (Item no. 39024)
- Bast natural (Item no. 93400)
- Creall air drying clay (Item no. 99025)

1. Wrap your raffia around the styrofoam ring. Make sure the layers overlap to ensure full coverage.

2. Roll our air-hardening clay and cut-out an egg-shaped piece. Press a piece of lace into it, to create an embossed motif.

3. Make small holes in the eggs, so you can tie them to the wreath when they're hardened.

4. Tie your eggs to the wreath using the holes in the eggs.
