# DIY: Easy costume - oval

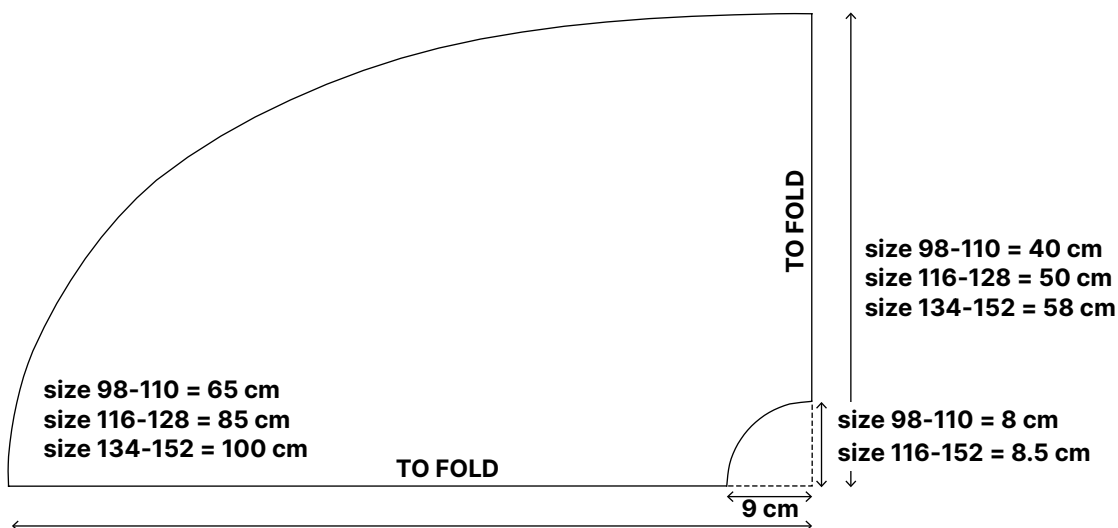

## Materials

- Fleece or cotton canvas  
size 98-110 = 135 cm  
size 116-128 = 175 cm  
size 134-152 = 205 cm
- Optional: fabric scraps / ribbons for decoration

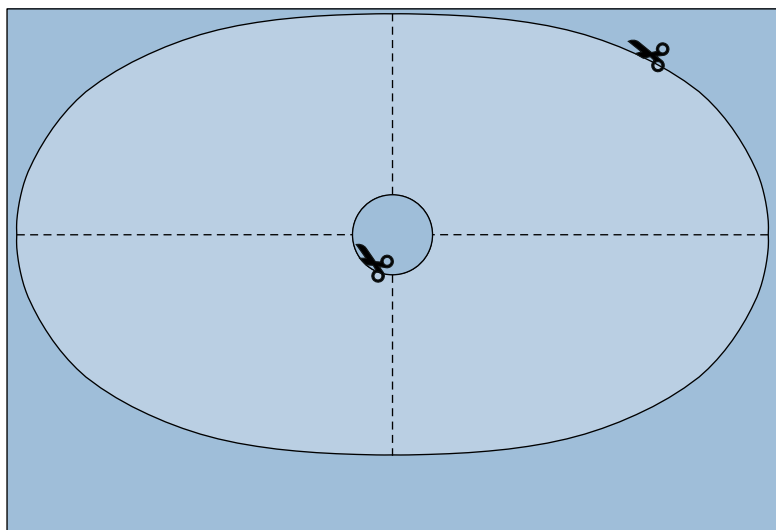

*Psst... let your imagination run wild and decorate the costume however you like*

**FREE  
DIY**

1. Measurements are for 1/4 costume. You can draw on a piece of pattern paper or draw directly on the fabric.

2. Cut 1 piece of fabric and decorate your costume however you like. If the fabric tends to fray, you can overlock/zigzag the edge and/or fold the edge 0.5 cm and stitch a seam 0.3 cm from the edge.
