

CUSHION COVER

FREE
DIY

MATERIALS

- 50 cm fabric
- 50 cm style-vil
- Marker pen
- Round pillow 45 cm

HOW TO

1. Cut 2 circular pieces of fabric and 1 circular piece in the style-vil with 45 cm in diameter.
2. Stitch the style-vil onto the wrong side of one of the fabric pieces.
3. Mark the stitches with the marker on the style-vil following the pattern.
4. Make the stitches.
5. Stitch the 2 pieces of fabric together right side against right side, leave a piece open to turn through.
6. Turn inside out and place the pillow inside the cover.
7. Stitch the hole together by hand with small invisible stitches.
8. Pull 4 pieces of tacking thread through a needle, place it double so the stitches are done with 8 ends.
9. Make a couple of stitches through the middle of the cushion, start and finish on the back side of the cushion, pull it tight together and secure with a knots, trim the remaining thread.
