

HOME COMFORTS BOLSTER

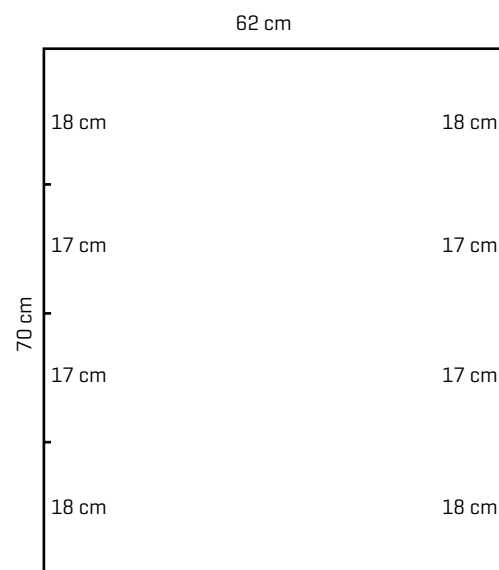

MATERIALS

- Fabric, 75 cm
- Fibre filling, about 870 g

Hey there! Make yourself a cosy sofa cushion!

- Cut 1 piece of fabric, 62 cm x 70 cm
- Cut 2 end pieces of fabric using the template on page 2.
- Make notches on the rectangular piece as shown in the drawing.
- Sew the rectangular part to form a tube (62 cm). Leave a gap of about 25 cm in the middle for turning. Press seam.
- Sew the ends of the tube. Align seams and notches.
- Fold the seam to the wrong side. Topstitch 0.5 cm from the edge.
- Turn to the right side. Fill the bolster with fibre filling.
- Close gap with small invisible stitches.
