DIY

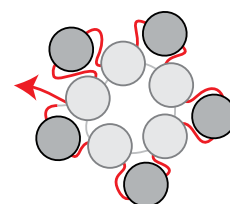

Strawberry:

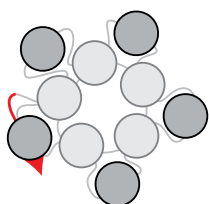

1.

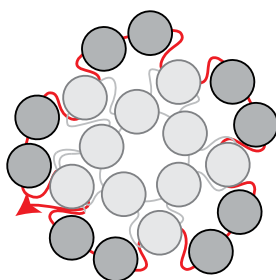

2.

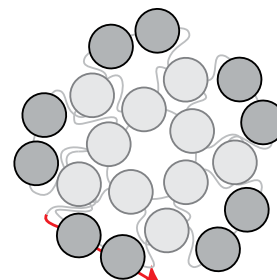

3. Add one bead in each gap

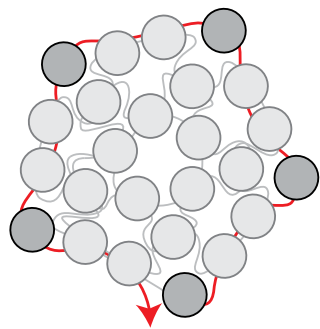

4. Slip through the 1st bead again

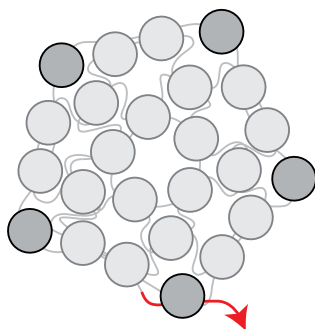

5. Add two beads in each gap

6. Slip through the 1st 2 beads again

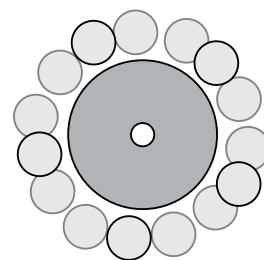

7. Add 1 bead in every gap and slip through 2 beads between them

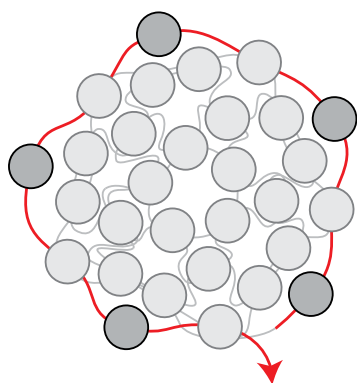

8. Slip through the 1st bead again.

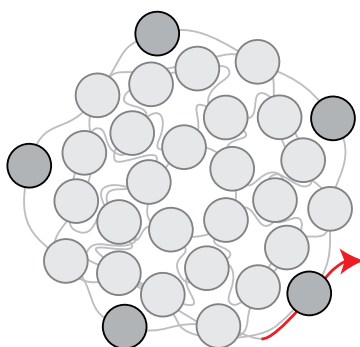

Repeat step 5+6+7+8 until you have the desired length.

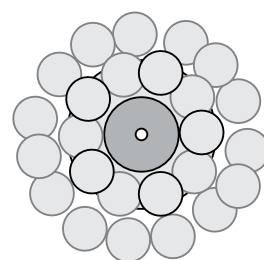

9. Optional Use a 10 mm bead as filling in the top of the strawberry for stability.

10. Add one bead in each gap and tighten the string.

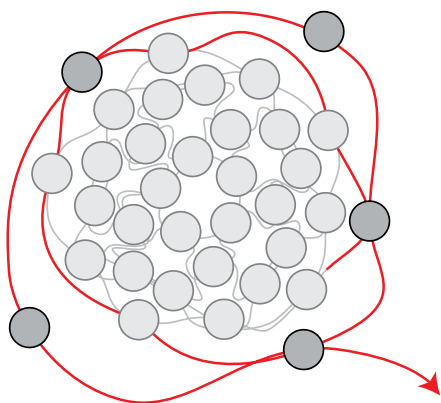

11. Slip through the 1st bead again.

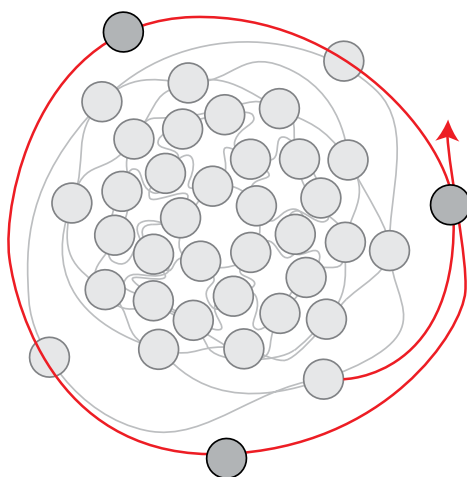

12. Optional Use a 6 mm bead as filling in the bottom of the strawberry for stability.

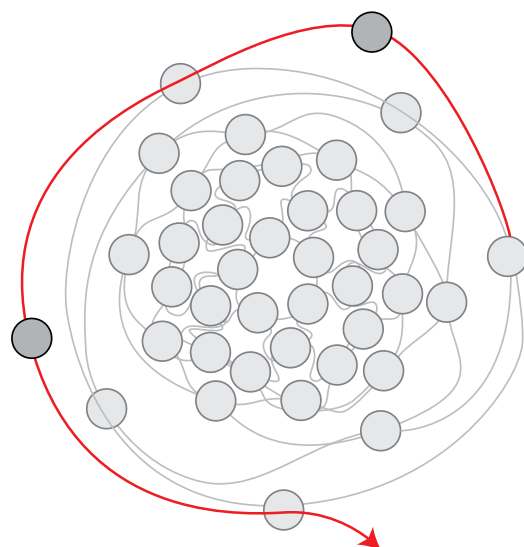

Repeat step 10+11.

13. Slip through the beads a couple of times, making sure that the beads are as tight as possible. Tie a knot.

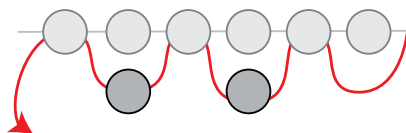

14. Optional: If you want a little more point on the strawberry, add 5 more beads as shown in drawing 14+15.

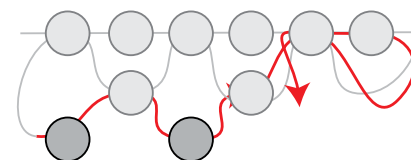

15. Optional

Leaf:

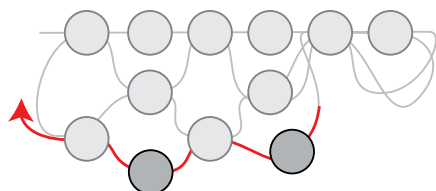

1. Attach the string in a bead at the top of the strawberry.

2.

3.

4. Sew it on the top of the strawberry.
Attach the tip of the leaf to the side of the strawberry.
Repeat as many times as you like.

Optional stem:
