

Bag

Materials

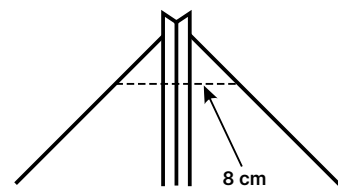

- Fabric 90 cm
 - Webbing ribbon 38 mm
 - 3 magnet buttons
- Cut 4 pieces of fabric measuring 50 cm x 44 cm.
 - Cut 2 lengths of webbing ribbon measuring 82 cm for the handle.

1. Fix magnet buttons firmly to the inner lining. Stitch 2 pieces of fabric at sides and bottom (including outer fabric and inner lining), leave a gap at the base of the lining for turning through.

3. Stitch the outer and inner lining together at the top, turn right side out, close the hole in the bottom of the bag, press. Stitch the handles to the bag.

2. Fold the corner at the bottom of the bag so that the side seam and bottom seam are placed exactly over each other, stitch across so the corner measures 8 cm. Stitch the corners of both the inner lining and outer fabric.
