- Thread for sewing the frame and fabric together

1. Cut two pieces of fabric and two pieces of lining (use the pattern pieces).

2. Lay fabric pieces together, right sides facing. Sew along the rounded bottom edge (1 cm seam allowance), trim seam and press.

3. Sew the lining in the same way, but leave a gap for turning.

4. Sew fabric and lining together, right sides facing by sewing along the top edge (0.5 cm seam allowance).

5. Turn right side out. Press again.

6. Stitch to close the gap in the lining.

7. Measure off the centre point of fabric and purse frame. Secure the frame to the top edge of the purse. Hand-stitch the purse frame firmly to the purse. Sew through the holes in the frame about 1.5 cm from the side seam.
