

LOVELY SOFT BAG

TEDDY BAG

MATERIALS

- Teddybear fabric, 90 cm
- Canvas lining, 60 cm
- 1 magnetic button/snap fastener

FREE
DIY

- Cut 2 pieces of teddybear fabric, each measuring 45 cm x 52 cm (sides).
- Cut 1 piece of fabric, measuring 10 cm x 90 cm (strap).
- Cut 2 pieces of canvas, each measuring 45 cm x 49 cm (lining).
- Fold the strap in half lengthwise, right sides together. Sew.
- Turn to right side. Press and fold strap (with the seam centred).
- Sew the bag shell fabric at the sides and bottom.
- Fold corners on the bag and sew over. If you wish, you can draw a line to sew along (see figure 1).
- Turn to the right side, Attach a magnetic button/snap fastener. Place the button/snap fastener at the centre of the bag and 2 cm from the top edge (see figure 2).
- Sew the strap onto the bag. Place the strap at the centre of the seam and sew firmly to the top of the bag, 4 cm from the edge.
- Overlock the top edge of the bag shell.
- Sew the lining in the same way as the shell. Sew the corners also in the same way.
- Place the canvas lining inside the bag shell, wrong sides together. Make sure that the corners meet at the bottom of the shell and the lining.
- Fold the top edge of the bag shell 4 cm to the wrong side and over the lining. Secure with pins, if necessary. To secure the turning, sew using edge stitching
