

Sew your own napkins and create a personal table setting

# Napkins

## Materials

- Fabric, approx. 54 × 54 cm incl. seam allowance (makes one napkin)

*By the way...! You can sew the edges of a tablecloth using the same technique - just with slightly wider turnings.*

**1.** Press seams 2 cm to the wrong side all the way around.

**2.** Mitre the corners, as shown in the photo.

**3.** Press the seams 1 cm to the wrong side. Press the corner into place, as shown in the photo.

**4.** Fold, press the seam 1 cm to the wrong side again and sew all the way around.
