DIY

Materials

- About 20 cm fabric
- About 17 g toy stuffing
- Rattle box

1. Cut 6 side pieces.
2. Sew 2 sides together right side against right side, with a 0.5 cm hem, start and finish 0.5 cm from the edge, press.
3. Add another side, so there are now 3 sides sewn together, press.
4. Add the last 3 sides in the same way.
5. Sew the 2 pieces together, leave a piece open to turn through.
6. Turn inside out, fill the ball with toy stuffing, place the rattle box inside the middle of the ball, sew the hole together.
