The finished blanket measures: 130 x 170 cm.

1. Sew 144 + 48 squares as shown (fig.1). Follow our guide to the windmill block: DIY9014.

Draw up squares measuring 12.5 x 12.5 cm. Each finished square measures 10 cm x 10 cm. NB: You get 2 finished squares out of each fabric square.

2. Sew 12 blocks as shown in the drawing above (fig.2).

Each finished block measures 40 cm x 40 cm.

3. Sew the 12 blocks together. The blanket is 3 blocks wide x 4 blocks long.

4. To hand-quilt your blanket, follow our guide: DIY9015 (fig.3).

5. To sew the edge of your blanket, follow our guide: DIY9018.
