On UK size 6 [5,0 mm] double pointed needles cast on 116 [124] sts loosely, divide the sts evenly with 29 [31] sts on each needle.

Place a mrk thread at the beg of the round and again after 58 [62] sts, this is the "side seam".

Now work inc on every 6th row.

When the work measures 24 cm divide the work at the mrk thread. Work the back and front back and forth to create an armhole.

Work until the armhole measures 18 [20] cm, remember inc, now work in the round again.

Work a total of 17 inc on every 6th row, you now have a total of 268 [284] sts on the round and the work measures approx. 65 cm.

Work 5 rounds of rib, k1, p1, cast off the sts loosely in rib.

ARM BAND:

Pick up 60 [66] sts along the armhole on double pointed needles.

K 8 rounds, p 1 round [folding edge], k 8 rounds, cast off the sts loosely.

FINISHING:
