## PATTERN

Cast on 104 [104] 104 [104] 104 [104] sts on a UK size 6 [5 mm], 60 cm circular needle with 1 strand of Happy Fraya [or 2 strands of Cosy Fraya held together]. Join in the round and place a marker for the beginning of the round [between the back and the right sleeve]. It can be helpful if this marker is a different colour than the other markers.

Work in the round in rib pattern, while placing markers as follows:

K1 [right sleeve], place marker, work [p2, k1, p1, k1, p1, k1] 7 times, p2 [front – a total of 51 sts], place marker, k1 [left sleeve], place marker, work [p2, k1, p1, k1, p1, k1] 7 times, p2 [back – a total of 51 sts].

Work the rib pattern as established until the work measures 3 cm.

Now work short rows and increases on the sleeves as follows:

M1k, k1, M1k, slip marker, work 7 sts in rib pattern, turn.

Sl1 wyib, work in rib pattern as the sts present to 7 sts after the marker between left sleeve and front, turn.

Sl1 wyif, work in rib pattern as the sts present and work increases on the left sleeve after the first marker as follows: Slip marker, M1k, k1, M1k, work in rib pattern as the sts present to the beginning of round marker.

Continue as follows:

M1k, k3, M1k, work 14 sts in rib pattern, turn.

Sl1 wyib, work in rib pattern as the sts present to 14 sts after the marker between left sleeve and front, turn.

Sl1 wyif, work in rib pattern at the sts present and work increases on left sleeve when you reach the first marker as follows:

Slip marker, M1k, k3, M1k, work in rib pattern to marker for beginning of round.

Change to a UK size 2 [7 mm], 80 cm circular needle and work the round as the sts present. There are now 5 sts on each sleeve and 51 sts on front and back.

Now work in lace pattern with increases on the sleeves on every other round. The front and back continue to have 51 sts. New sts on the sleeves are worked in pattern. See sleeve chart and begin the sleeve on the 5th round of the chart.

Begin as follows: \*M1p, yarn over, k2tog tbl, k1, k2tog, yarn over, M1p, slip marker, work lace pattern according to chart across the next 51 sts [beginning on round 1 of the chart]\*, repeat from \* to \* across left sleeve and back.

Next round: Work the sts as they present, knit the yarn overs.

Work the next round with increases on the sleeves as follows: \*M1p, p1, k1, yarn over, k3tog tbl, yarn over, k1, p2, M1p, work lace pattern according to chart across the next 51 sts\*, repeat from \* to \* across left sleeve and back.

Next round: Work the sts as they present.

Continue working increases on the sleeve every other round. New sts are worked in pattern, which means that the increases are knitted on the next round.

**Size XS - S - M:** When there are 51 [51] 51 sts on front and back and 35 [37] 39 sts on each sleeve, the work is divided and body and sleeves are finished separately. Place the sts for the right sleeve on a stitch holder, cast on 4 [6] 8 new sts in extension of the sts on the needle for the body and place a marker at the centre of these sts, work across the front in pattern, place the sts for the left sleeve on a stitch holder, cast on 4 [6] 8 new sts in extension of the sts on the needle for the body and place a marker at the centre of these sts, work across the back in pattern. 1 stitch before and after the markers at the centre of the new sts are knitted, while all other sts are worked in pattern. There are a total of 55 [57] 59 sts on front and back. Continue in pattern until the work measures 51 [52] 52 cm from the centre of the neck down.

Change to a UK size 6 [5 mm], 60 cm circular needle and continue in rib pattern as the sts present until the rib measures 4 cm. Bind off loosely.

**Size L - XL - XXL:** When there are 51 [51] 51 sts on front and back and 31 [31] 31 sts on each sleeve, increases are worked on both sleeves and body every other round. The new sts on front and back are also worked in pattern.

When there are [61] 63 [69] sts on front and back and [41] 43 [49] sts on each sleeve, the work is divided and body and sleeves are finished separately. Place the sts for the right sleeve on a stitch holder, cast on 6 [6] 8 new sts in extension of the sts on the needle for the body and place a marker at the centre of these sts, work across the front in pattern, place the sts for the left sleeve on a stitch holder, cast on 6 [6] 8 new sts in extension of the sts on the needle for the body and place a marker at the centre of these sts, work across the back in pattern. 1 stitch before and after the markers at the centre of the new sts are knitted, while all other sts are worked in pattern. There are a total of [67] 69 [77] sts on front and back. Continue in pattern until the work measures [52] 52 [53] cm from the centre of the neck down.

Change to a UK size 6 [5 mm], 60 cm circular needle and continue in rib pattern as the sts present until the rib measures 4 cm. Bind off loosely

## SLEEVES

Place the sts for the sleeve on a UK size 2 [7 mm], 40 cm circular needle. Pick up and knit 4 [6] 8 [6] 6 [8] sts along the sts cast on at the underarm on the body and place a marker at the centre of these sts. There are now a total of 39 [43] 47 [47] 49 [57] sts on the needle. Continue in pattern until the sleeve measures 35 [36] 37 [38] 38 cm from the underarm down.

Change to UK size 6 [5 mm] double-pointed needle.

Work decreases before the rib:

**Size XS [39 sts]:** K1, \*p2tog, k2tog tbl, p1, k2tog\*, repeat from \* to \* to the last 3 sts, p2tog, k1.

**Size S [43 sts]:** P1, k2tog, \*p2tog, k2tog tbl, p1, k2tog\*, repeat from \* to \* to the last 5 sts, p2tog, k2tog tbl, k1.
