PATTERN:

Cast on 54 sts on a UK size 2 [7 mm] circular needle with colour 1 [cast on loosely, so the edge does not become too tight].

Begin by working a row before joining the work in the round as follows: *k1, p1*, repeat from * to * to end of row.

Now join the work in the round and place a marker for the beginning of the round.

Rib: *k1, p1*, repeat from * to * to end of round.

Work in rib until the work measures 11 cm.

Change to colour 2 and continue in rib until the work measures 25 cm. Place the following markers on the last round: Work 18 sts in rib, place marker work 18 sts in rib, place marker, work to end of round in rib.

The work is now divided into 3 sections with 18 sts in each.

Now work decreases as follows:

*k3tog tbl, work in rib to 4 sts before marker, k3tog, p1, slip marker *, repeat from * to * to end of round.

Work 1 round in rib.

Repeat the last 2 rounds until there are 18 sts left on the needle.

Break the yarn leaving a 30 cm long tail.

Pull the end through the remaining sts on the needle and pull tight. Weave in the end well, so it does not unravel.

Weave in all ends.
