ABBREVIATIONS:

st[s] = stitch[es]
k = knit
p = purl
RS = right side
WS = wrong side
tbl = through the back loop[s]
tog = together
M1 = Make 1 Left: Pick up the chain between stitches from front to back with the left needle and knit it through the back loop

EDGE STITCHES [4 stitches]

It is important that the edges do not become too tight, so there is a yarn over at the beginning of every row. The edge stitches are not shown in the chart.

Start every row [both RS and WS] as follows:

Slip 1 stitch purl-wise with the yarn held in front, yarn over, k1, k2tog.

End all rows [both RS and WS] as follows:

Work to the last 4 sts on the needle [not incl. yarn over], k2tog tbl, k1, let the yarn over fall off the needle. k1.

Designed by Bente Dalsgaard Andersen

The bandana is worked so the cast on stitches form the sides of the scarf. This means that you start by casting on all of the stitches, then decrease on every row, so the number of stitches is quickly reduced. The bandana is worked back and forth on a circular needle.

PATTERN

Cast on 331 sts loosely, optionally using a UK size 8 [4 mm] needle for the cast on only.

Change to a UK size 11 [3 mm] circular needle and work as follows:

Row 1 [RS]: K165, place a marker, k1 [centre stitch], place a marker, k165.

Now start working in pattern from the chart [remembering to work the 4 edge sts that are not shown in the chart] or from the instructions below.

The centre 3 sts are knit on all rows and on RS rows decreases are worked on both sides of the centre stitch. Slip markers while knitting, making sure that they are always on either side of the centre stitch.

Row 2: 4 edge sts, knit to the last 4 sts on the needle, 4 edge sts.
