The clutch is worked bottom up on circular needles. Dec are worked at the top edge since st st is wider than trinity st.

**INSTRUCTIONS:**

On the size 7, 40 cm circular needles cast on 96 sts. Place a marker at the beg of the round. The entire clutch is worked from the WS.

**Round 1:** \*[k1, p1, k1] in the same st, p3tog\* rep from \* to \* to the last st of the round.

**Round 2:** Knit.

**Round 3:** \*p3tog, [k1, p1, k1] in the same st\* rep from \* to \* to the last st of the round.

**Round 4:** Knit.

Round 1-4 creates the trinity st patt. Cont in st patt until the work measures 12,5 cm. Now work the edge. First dec as follows: \*p6, p2tog\* rep from \* to \* the entire round. 84 sts remain. Purl [reverse st st] until the work measures approx. 15,5 cm. Cast off all sts.

**FINISHING:**

Weave in all ends and block lightly. Fold the st st edge in the middle [knit side out] and seam it on the WS along the border between st st and trinity st patt.

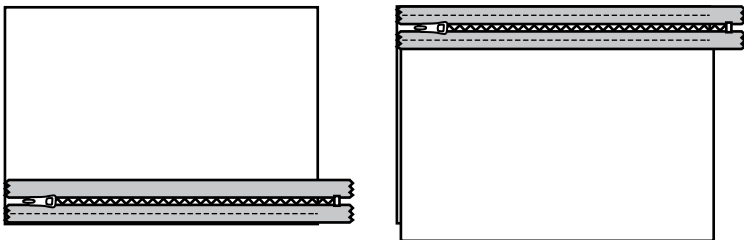

**LINING:**

Measure the width and length of the clutch, cut 2 pieces of fabric with these measurements:

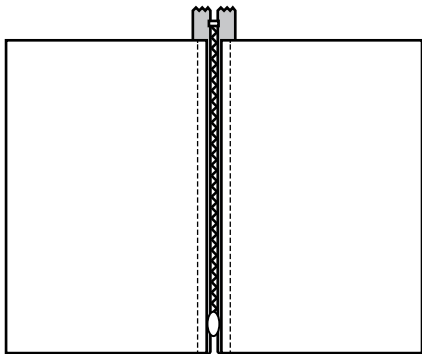

Width + 2 cm and length + 2 cm.

Example: If the width is 23 cm and the length is 13 cm cut he pieces 25 cm x 15 cm.

Sew the zipper on the fabric.

Baste the zipper on both sides with 0,5 cm sts.

Sew together the lining at both ends and bottom, sew as close to the zipper as possible.

Sew the lining into the clutch by hand with small invisible sts.

Seam the bottom of the clutch.
