ABBREVIATIONS:

st(s) = stitch(es)
k = knit
p = purl
RS = right side
WS = wrong side
tbl = through the back loop(s)
tog = together
M1 = Make 1 Left: Pick up the chain between stitches with the left needle from front to back and knit it through the back loop

“German short rows” = Knit to turning point, turn, slip the first stitch with the yarn held in front of the needle, pull the working yarn up and over the needle and tighten so the stitch is pulled backward, now both “legs” of the stitch are visible. On the next row the 2 “legs” of the turning stitch are knitted together – if it is a WS row, the 2 “legs” are purled together through the back loop.

Designed by Vibe Ulrik

The sweater is worked from the top down with a folded rib neck edge and a circular yoke. After this the body and sleeves are finished separately.

Rib neck edge:

Cast on 64 [64] 64 [72] 72 sts loosely on UK size 8 [4 mm] double-pointed needles, either with a normal long-tail cast on or using the Italian cast on technique, so the sweater fits over the head without problems.

Join in the round and place a marker for the beginning of the round [mid back]. Work 6 cm in rib [k1, p1]. On the last round, place a second stitch marker after 32 [32] 32 [36] 36 sts to mark mid front.

Change to a UK size 6 [5 mm], double-pointed needles and continue in stockinette stitch.

Work the first round of increases as follows:

Round 1: *K4, M1*, repeat from * to * to end of round. There are now a total of 80 [80] 80 [90] 90 sts on the needle.

Short rows are worked to shape the neckline using the “German short row” technique, see abbreviations.

Remember that the turning stitch that is slipped is not counted:

Short row 1: K24, turn.

Short row 2 [WS]: P47, turn.

Short row 3: K50 [3 sts after last turn], turn.

Short row 4: P53 [3 sts after last turn], turn.

Short row 5: K56 [3 sts after last turn], turn.

Short row 6: P59 [3 sts after last turn], turn.

Size 92 [98] 104:

Short row 7: Knit to marker mid back.

Size [110] 116:

Short row 7: K62 [3 sts after last turn], turn.

Short row 8: P65 [3 sts after last turn], turn.

Short row 9: Knit to marker mid back.

The neckline shaping has now been completed. Continue working in the round on double-pointed needles. Change to a circular needle as the work progresses.

All sizes:

Round 1: Knit 0 [0] 0 [2] 2 sts, *k4, M1*, repeat from * to * to end of round. There are now a total of 100 [100] 100 [112] 112 sts on the needle. Remove mid front marker.

Round 2: Knit.

Round 3.–7: Work pattern from Chart 1.
