FINISHING

Head:

Sew the eyes onto rnd 24-32 of the head on the opposite side of the decreases on rnd 20-27. Place the eyes with approx. 8-9 db between them. Remember to stuff.

Then sew the nostrils onto rnd 10-13. Place them parallel to the eyes but slightly tilted. They should curve a bit and lie down after sewing.

Body:

Start by sewing the legs onto rnd 7-13 of the body, 12 db apart.

Then sew the tail onto the back between rnd 9-15.

Sew a slightly tilted arm onto each side of the body between rnd 32-33.

Now join head and body. The body is sewn onto rnd 35-31 of the head. Stuff the body with some more fibre filling.

Sew the spots onto the back.
