ABBREVIATIONS:

st(s) = stitch(es)
cs = chain stitch
db = double crochet
tog = together
rnd(s) = round(s)

Design by Unkeldesign

All parts are crocheted in the rnd in a continuous spiral. Marking the beginning of the rnd with a stitch marker or a marker thread is very helpful.

EAR X2

Worked in brown.

Rnd 1: 6 db in a magic ring = 6 db

Rnd 2: 2 db in every db = 12 db

Rnd 3: *1 db, 2 db in next db*, repeat from * to * a total of 6 times = 18 db

Rnd 5-8: 24 db [4 rnds]

Fold the ear, and crochet it tog with approx. 10-11 db. Fasten off, leaving a long tail for sewing. Do not stuff.

EYE X2

Begin in dark grey mélange.

Rnd 1: 6 db in a magic ring = 6 db

Rnd 2: 2 db in every db = 12 db

Change to nature, leaving a tail long enough to embroider the line in the eye.

Rnd 3: *1 db, 2 db in next db*, repeat from * to * a total of 6 times = 18 db

Fasten off, leaving a long tail for sewing. Embroider the line in the eye from the middle to the small gap between rnd 2 and 3.

FINISHING

Begin by assembling the head:

Fold the muzzle around itself, creating a hollow hemisphere. Using dark grey mélange, embroider a nose from rnd 8 and up and around rnd 7. Make sure to embroider roughly in the middle.

Sew the muzzle on to rnd 15-24 of the head. Remember to stuff before fastening off.

Now sew the eyes on to the head above the muzzle, approx. over rnd 10-14 and with approx. 5 db between them.

Fold the ears around themselves in the same way, making the layers lie double. Then sew an ear on to rnd 7-14 on each side of the head. Make sure they curve slightly.

Then assemble the body:

Sew an arm on to rnd 26-30 on each side of the body. Sew around the top of the arm, creating an "armpit". Make sure the side with the decreases is facing the body.

Sew the legs on to the body by "mashing" the last 8 rnds or so up against the underside of the body. Pin them in position so they stay in place when sewing. Now sew around the leg so that the 8th rnd from last gets attached to rnd 4-5 of the body and the last rnd gets attached to rnd 10 of the body.

Attach the head to the body.
