st(s) = stitch(es)**cs** = chain stitch**sls** = slip stitch**db** = double crochet**tr** = treble crochet**bs** = bobble stitch, see explanation below**tog** = together**FLO** = front loop only**BLO** = back loop only**mr** = magic ring**rnd(s)** = round(s)

BOBBLE STITCH:

Wrap the yarn over the hook and pull up a loop = 3 loops on the hook. Wrap the yarn over the hook and pull it through the first 2 loops. Repeat this a total of 4 times in the same st. For each repeat you get an additional loop on the hook – you will end up with 5 loops. Wrap the yarn over the hook again and pull it through all 5 loops. The bobble will show on the opposite side – push it to the right side when you work the next db.

ASSEMBLY:

Sew the belly to rnd 24-39 of the body with the two bs at the top.

Sew the beak to rnd 14-17 of the head. Remember to stuff the beak before closing the seam. Use the rest of the tail to embroider closed eyes.

Sew the tufts to the top of the head, over rnd 3-4 behind the mr. They should tilt backwards. Now, place the flower in a diagonal line from the tufts and sew it on.

Place the wings over rnd 24-30 at an angle and sew them to each side of the body.

Now, sew the tail feathers to the back, over rnd 31.

Pull the cord for hanging to the inside next to the mr, between rnd 1-2, and out again on the other side of the mr [you can use a needle or a crochet hook for this].

Take the bead and pull the string from the music box through the mr and the wooden ring. Now make an adjustable knot. Place the bead over the knot, fasten off and tighten. The length of the string is adjustable.
