ASSEMBLY

Begin by embroidering the nose over rnds 1.-3. Make sure that the head turns so that the side with the marking after rnd 8 faces downward. Alternately insert the needle to go down 3 db at the bottom and up through 8 db at the top. Afterwards, make a small line down to rnd 6.

Sew the ears onto the head, over rnds 21-22 with approx. 8 db between them.

Sew the arms onto the body, over rnd 30 at a slight angle towards rnds 29 and 28. Make sure that the decreases on the arm face backwards.

Now, sew the legs onto the feet, over rnds 12-17. Make sure that the legs turn so that rnd 1 aligns horizontally with the sts of the feet. Stuff the legs lightly before sewing them onto the body.

Sew the legs onto the bottom of the body, over rnds 2-5.

Sew the tail onto the back of the body, over rnd 9.

Finally, sew the head onto the body. Make sure that the snout faces forward. The body is sewn onto the head over rnds 14-19. Stuff the neck a bit more before closing the seam.

Wrap the scarf around the neck of the bear - now it is ready for adventures.
