Work with two strands.

Loosely work 45 cs with two strands.

**Row 1:** Turn, starting in the 3rd cs from the needle work 1 tr in each cs = 44 tr.

**Row 2:** Turn by working 2 cs (= 1 tr), 1 tr in the 4th tr from the hook (2nd tr from the previous round), \* 1 tr into the hole below the st of each of the next 2 tr [insert the needle from the front into the hole beneath the st of the next tr. See fig 1], 1 tr in each of the next 2 tr, [the patt is divisible by 4 sts] \* rep from \* to \* the rest of the row. End with 1 tr into the hole beneath the last db.  
 Rep row 2 a total of 22 times [11,5 patterns].

On the next row turn 6 sts before the end to make the strap for hanging the pot holder.

Crochet another row of 38 sts of patt.

End with 10 cs which forms the strap.

**Border:**

On the sides work 3 db for every 2 rows (one patt), crochet around the yarn end.

At the bottom and top work \* 1 db in the first 8 tr, skip 1 tr\* rep from \* to \* the rest of the row.

When rounding the corner work 3 db.

In the cs ring forming the strap work 16 db.

Turn and work 1 db in each db the entire round, crochet through both loops.

Pull the yarn through the last st and weave in the end.
